Innovative Solutions for Sustainable future

## ABOUT JSM

**JSM Polymer**  
Reliance MET, Sondhi,  
Badli, Jhajjar, Haryana

**Creative, Innovative & Performance Plastic Compounder**

- Focused on Polymer compounding
- Material Innovation
- Customized Engineered material
- Sustainable development

- Satisfaction
- loyalty
- Support & Service
- Reliability
- Quality

# MISSION, VISION & VALUES

## OUR MISSION

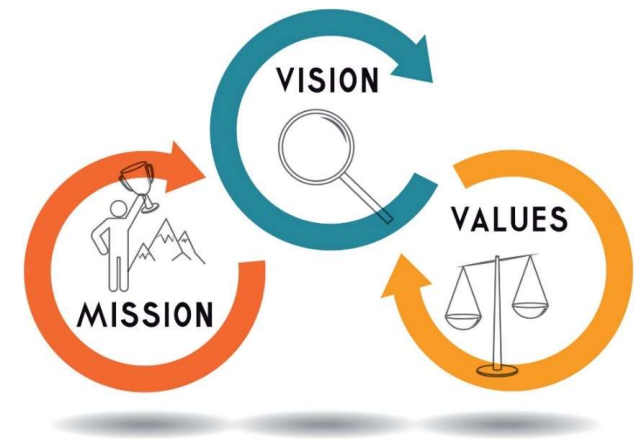

To empower polymer industries worldwide with innovative compounding solutions, delivering pioneering materials to address the customer requirement, creating sustainable, eco-friendly material that balanced performance with environmental responsibility, fostering greener future.

## OUR VISION

To become a leading compounder to meet the customer specific application requirement, driven by our unwavering commitment to consistent product quality, efficient processes, and exceptional value-added customer services.

## Values

We deliver Innovative, high quality polymer compound tailored to our customer need, driving sustainability and performance across industries.

## Processing

- **Technology** – Twin screw Co-rotating Extruder Technology
- **Current Production Capacity** – 7500MT per annum
- **Production Capabilities:**
- Polypropylene (Filled(glass & talc etc) & non-filled.
- Engineering Compounds (Nylon-6, PMMA, ABS, PC, HIPS and SAN)

## FUTURE INNOVATION SOLUTIONS

---

- **Sustainable & Recycling:** Biodegradable (PLA & PHA) Development & PP, HDPE, PET recycling .
- **Light-weighting for Automotive & Aerospace:** High performance polymer like carbon fiber reinforced and PTFE like material development.
- **Health sector:** Biodegradable and self healing material

# OUR ACCREDITATIONS & PERFORMANCE

Management Systems Certification Body No. MSCB-108

## CERTIFICATE

This is to certify that

**No. 24-A-12010020 Rev.0**

**JSM POLYMERS PRIVATE LIMITED**

PLOT NO.05,SECTOR 7B, STREET NO.09, MET, VILLAGE SONDHI,  
JHAJJAR,HARYANA-124103,

has implemented and documented a quality management system in  
compliance with the requirements of the standard

### ISO 9001:2015

Quality Management Systems

for

**COMPOUNDING OF RAW MATERIAL- PP, ABS,  
NYLON ETC**

The certificate is issued on the basis of the results mentioned in the pertinent audit report.  
Validity of the certificate is conditionally limited by positive results of surveillance audits,  
which the certified company committed to undergo.

This certificate can be invalid if the certificate holder does not fulfill the conditions set out in
